

Coach Bischof's Elkhorn Tennis Camp offers Lessons and League play during the early summer at the **Elkhorn High School tennis courts**. The camp is run by Steve Bischof, varsity Tennis Coach at Elkhorn High School and a PTR Certified Tennis Coach. Assisting Coach Bischof is Barb Schmidt, reserve Elkhorn tennis coach and a ranked tennis player. Members of the Elkhorn Tennis Team will also help with the lessons.

The beginner lessons offered by the Antler Tennis Camp are based on the USTA's 1-2-3 lessons, and Oscar Wegner's tennis theories. Each of the six lessons focuses on one of the main shots in tennis. Although proper technique is stressed, it is a game-based approach that keeps tennis fun! Camp participants should bring their own racket, and wear comfortable court shoes.

The Competition Drill and League sessions offer 45 minutes of drills, followed by 45 minutes of match play, for players at the junior varsity or varsity level. Participation requires a player who is able to serve, keep score and sustain a rally with competitive experience.

As with any sport, playing tennis brings a risk of injury. The camp directors will maintain a safe playing environment, but a bump, a bruise or an occasional skinned knee are always possible. Players can reduce their chance of injury by wearing appropriate court shoes.

This camp is not affiliated with the Elkhorn Public Schools. The Elkhorn Public Schools are not liable for any injuries or damages resulting from participation.
